## **REASONS FOR ALLOWANCE**

### ***Drawings***

1. The drawings were received on February 8, 2006. These drawings are accepted.
2. The following is an examiner's statement of reasons for allowance: The prior art when taken separately or combined fails to teach and/or show a light source device as set forth in Claim 1 having a base with an upper surface and cavity wherein there is an LED chip placed within the cavity of the base and a resin portion adjacent the LED chip. There is an optical member placed over top of the base and separate from the LED ship with a light-shielding portion disposed on the inner surface of the optical member. There is also a fluorescent substance layer disposed on the portion of the inner surface of the optical member in which the light-shielding portion is not disposed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
